Motion Control Experts

- COMPONENTS
- ASSEMBLY
- SYSTEMS
- ENGINEERING
- FABRICATION
- REPAIR

In addition to supplying cutting-edge automation products, we also **design and build innovative engineered systems** for leading manufacturing companies in the USA.

Our team of engineers has extensive hands-on experience in a wide array of applications, including hydraulic and controls on a variety of platforms.

We service and support what we sell and more!

Electronics

MITSUBISHI ELECTRIC

Certified Systems Integrator

PLC's, HMI's, Inverters, Servo Drives/Motors, Robotics & CNC

BALLUFF Inductive, Photoelectric, Capacitive, Laser Sensors, Remote ID Systems, Linear Transducers, Connectors/Cables

UNITRONICS
PLC's with Integrated Graphic Operator Interface

CARLO GAVAZZI Panel meters, Sensors, Switches & Safety Products

SIDIRECT Automation Direct

EATON AUTHORIZED System Integrator
Sensing and monitoring relays, operator interface, counters & timers, push-buttons, stack lights, toggle switches and programmable logic controllers

wieland Pluggable Connections for Building System Technology and Industrial Automation

Visit Us Online:

Mechanical

Zero Backlash Planetary Gearheads & Gear Reducers

LINTECH
Precision Ball Screw & Belt Drive Positioning Tables

EXLAR
Patented Roller Screw Technology Providing Many Times the Life of Ball Screws

ZERO-MAX MOTION CONTROL PRODUCTS
innovative solutions to motion control problems worldwide

LodarusA
www.lodarus.com

Dyna-Lift
Height adjustable Ergonomic Lift Tables to 20,000 Pounds

Hydraulics

AC/DC Hydraulic Power Units and Control Systems

Hanna cylinders JIC/NFPA & Special Cylinders

HDM HYDRAULICS, LLC
Cylinders for OEM's

RLA ROCKFORD LINEAR ACTUATION, INC.
Hydraulic & Pneumatic JIC/NFPA & Special Cylinders

Daman Hydraulic & Custom Manifolds

JTEKT | HPI High Performance Hydraulic Gear Pumps, Motors, Power Packs

Hydraulic Valves, Modular Valves, High Pressure Vane Pumps

LDI Industries Vents, Breathers, Filters, Centralized Lubricating Systems And Circulating Oil Systems

AKG Air and Water Cooled Heat Exchangers, Custom Cooling Systems

NACHI Variable Volume Pressure Compensated, Piston and Vane Pumps, High Performance Proportional Valves

internormen technology High Quality Filters, Contamination Technology

EATON Powering Business Worldwide
HyperCyl Hydra/Pneumatic Intensifier Cylinder and Presses

Pneumatics

COVAL vacuum managers
Vacuum components, Suction Cups, Generators, Switches, Lifter Systems

Interface Devices, Inc. Air Driven Pumps, Air/Oil Pumps to 10,000 PSI

Allenair Fluid Power Products

Pneumatic Cylinders, Valves, FRL's, Fittings, Grippers, Sliders, and Rotary Actuators
