Our mission is to continuously improve our customers productivity by integrating systems with innovative, high quality services and ongoing support. Continuing efforts to reduce overhead costs, sustain competitive pricing and provide friendly customer service.
Motion Control

**UNITRONICS**
PLC’s with Integrated HMI
Certified Systems Integrator

**Invertek Drives.com**

**BALLUFF**
Induct... Photoelectrec, Capacitive, Laser Sensors, Remote ID Sysems, Linear Transducers, Connectors/Cables

**ZERO-MAX**
Innovative solutions to motion control problems worldwide

**Tolomatic**
Electric Linear Motion

**STÖBER**
Zero Backlash Planetary Gearheads & Gear Reducers

**DIEQUA Corporation**

**LINTECH**
Precision Ball Screw & Belt Drive Positioning Tables

**LodarUSA**
